praise is an utterly frank and darkly humorous novel about being young in the australia of the 1990s a time when the dole was easier to get than a job when heroin was better known than ecstasy and when ambition was the dirtiest of

words a time when for two hopeless souls sex and dependence were the only lifelines mcgahan s book is a bracing slap in the face to conventional platitudes and hypocrisies the *australian* praise is one of those books that takes a hefty bite out of a piece of subject matter chews it to a pulp and then spits it out peter craven a tour de force revelation of life in the slow lane of drugs and sex and alcohol the weekend *australian* winner of the *australian vogel* literary award and the commonwealth writers prize for best first book in the pacific region shortlisted for the victorian premier s literary award the adelaide festival awards for literature and the canada australia literary award

volume one traces the history of opel and vauxhall separately from inception through to the 1970s and thereafter collectively to 2015 special attention is devoted to examining innovative engineering features and the role opel has taken of providing global platforms for gm each model is examined individually and supplemented by exhaustive supporting specification tables the fascinating history of saab and lotus begins with their humble beginnings and examines each model in detail and looks at why these unusual marques came under the gm banner included is a penetrating review of saab through to its unfortunate demise volume two examines unique models and variations of chevrolet and buick manufactured in the southern hemisphere and asia but never offered in north america daewoo wuling and baojun are other asian brands covered in detail this volume concludes with recording the remarkable early success of holden and its continued independence through to today volume three covers the smaller assembly operations around the world and the evolution of gm s export operations a brief history of isuzu subaru and suzuki looks at the three minority interests gm held in asia the gm north american model specifications are the most comprehensive to be found in a single book global and regional sales statistics are included gm executives and management from around the globe are listed with the roles they held an index ensures that these volumes serve as the ideal reference source on gm

automobile heritage encompasses a complex range of artefacts and activities beyond just historic vehicles which are the primary artefacts of this niche it also includes communities of collectors and enthusiasts private owners and public institutions as well as historic motoring environments literally thousands of museums exhibitions and car shows throughout the world and a range of paraphernalia that includes both original and replicated promotional materials equipment and parts and guide books although automobile heritage has been the subject of some limited research automobile heritage and tourism is unique in examining its scope and role within tourism the book looks at a vast array of topics from the experience of using and collecting old cars related destination development automobile heritage and museums to events such as vintage

automobile racing promotion and social change it thereby provides a thorough review of the impacts of automobile heritage on tourism a number of theories provide a framework and are analysed throughout including those related to the collection display exhibition and use of historic automobiles the title takes a global and interdisciplinary view of the subject with international contributions from both established and emerging scholars in the field this book adds to the industrial heritage tourism literature and will appeal to a diverse audience in particular those in the fields of cultural heritage and industrial heritage tourism but also practitioners involved with the planning restoration exhibition and management of automobile heritage attractions and events

golden miles is a book about cars people and australia in the late 60s and early 70s with the energy and irreverent humour of a fanzine the acuity of investigative journalism and the eye of an art book this new expanded edition of golden miles explores the archetypal product of australian suburbia the muscle car clinton walker is the author of seven books and several hit documentaries including the 2001 series on the history of australian rock long way to the top a rambling journey that s provocative and lavishly illustrated as much for pop culture lovers as rev heads sydney morning herald

a collection of international scholars and activists answer the questionshow does gender and region nation play a defining role in how feminists engage in anti racist practices how has the restructuring in the world economy affected anti racist organizing how do third world feminists counter the perception that feminism is a western ideology and how effective are their methods what opportunities does globalization bring for cross cultural organizing from essays on the race and gender issues in organizing exotic dancers to resistance art in africa and the u s this timely and necessary anthology will be sure to spark debate and controversy contributors angela davis kathleen blee france winddance twine heater merrill veronica magari siobhan brooks delores walters michelle rosenthal ellen kaye scott andrea breen yoshiko nozaki sohera syeda becky thompson paola bacchetta carolyn martin shaw eileen o brien and michael armato jane freedman cathleen armstead ashwini deshpane and minelle mahtani
